

Annual Report of School

Academic Achievements:

St. Michael's English School, plans very systematically and work very joyfully for the betterment of students. School prepares an Academic Planner, CCA Planner, Exam Planner and Sports Planner meticulously before the start of the session by giving a keen attention to pedagogical teaching learning. As a result school has achieved 100% result in AISSE exam from last 11 years.

School students are motivated to prepare for future competitive world through Olympiad Exam. Students are motivated to participate in Handwriting and Drawing competitions. Regular "Career Guidance" workshops and career Corners are held for teenagers to guide them in their area of interest. In the exam times students are given workshops on Memory Techniques, Exam preparation methods and study planning etc.

School students and teachers enthusiastically participate in the activities of Pariksha Pe Charcha, especially the Hon. Prime Minister's guiding speech.

Efforts made in the field of Environment Education :

St. Michael's School is genuinely an environment conscious school and pays a great attention to prepare the tender minds of students towards its awareness. Serious efforts are being taken in this regard by the school by organising various awareness programmes and competitions by the school.

Every year school "Eco Club" organises a Tree Plantation drive with different NGOs & social organisations like Rotary Club, Garden Society etc. In Hub of Learning school circulate a lot of competitions like Bird Painting competition, Paper Bag making competition, Best Out of Waste competition, Stone Painting competition. Nature Conservation Day celebration, Fancy Dress competitions with the theme like wild animals etc. are arranged joyfully with true spirit A special importance and emphasis is given in annual CCA Planner to the environment education related activities. School genuinely believes in nurturing Nature. School has Solar Panel System and Rain Water Harvesting, to value the Natural Energy resources and water conservation.
